

CUB LEADER TRAINING

IOLS - Give adult leaders the practical knowledge they need to help Scouts to learn outdoor skills. The skills presented closely follow the Boy Scout Handbook and rank advancement requirements. This is a required training course for all Scoutmasters and Assistant Scoutmasters.

BALOO training is comprised of two components - an online component, and a practical, hands-on component. Both components must be completed to qualify as a "trained" Cub Scout outdoor leader. The online component is available through the BSA Learning Center at my.scouting.org and must be completed before the practical component - Please bring your completion certificate to the course.
