

BOW Xtreme Skills

Out at the Pioneer Village!

Ready to take your scout skills to the next level? Ever wondered "What is it like to be in the remote wilderness all alone? What is it like to train like Bear Grylls, the world's Chief Scout Ambassador?"

Then the **Bushcraft and Outdoor Wilderness X-treme Skills** Program is the perfect program for you! Join our highly trained and experienced team, as you learn how to make a knife, how to splint broken bones, and survive in the deepest parts of the Northeast Georgia Mountains. Camp Rainey Mountain will take you into the depths of the mountain to learn some of the greatest and most x-treme skills of camping you can find in Scouts BSA! Learn how to bow drill, axe throw, and more, as you have the time of your life.

Who can participate?

Boy Scouts and Ventures must be 14 years old or 13 and completed the 8th grade, also, must have attained First Class Rank or higher to participate.

This activity is very strenuous. This trip involves hiking into back country wilderness and being away from camp for half day programming. The X-Skills Director reserves the right to refuse any participant who in their opinion is not physically capable or mature enough to complete the course. There is a strict limit of 15 participants. ***Adults are welcome to participate as a Day Participant if space is available but must pay the additional fee associated with this activity.***

Needs List:

- Rain Gear
- Appropriate hiking boots, sneakers
- Water Bottle
- Insect repellent non-aerosol
- Bandana
- Sunglasses
- Long Pants and shorts
- Annual Health and Medical Record Form #680-001

All participants will receive a remote "pack" upon entering the program. The camp will provide all other necessary equipment.

Additional Cost:

\$40 in addition to regular camper fees.

(Youth) Offering to adults if space is available.

\$40 in addition to regular camper fees. (Adults)
