

Cub/Parent Weekend

Oct. 22-23, 2022

Camp Daniel Boone

Saturday Check-In: 9:00-10:30 a.m. Bring a picnic lunch.

Program begins at 12:15 and ends at 11am on Sunday.

The weekend is designed for Cub(s)/Parent Combos. We'll have fun activities for Lions, Tigers, Wolves, Bears, Webelos, and AOLs! On Saturday, we will rotate through age-appropriate activities by rank.

Registration

FEE: \$10 per person (includes program materials, patch, and Saturday afternoon snack.)

Select a Pack Coordinator to be responsible for gathering info, filling out all paperwork, collecting fees, and making sure everything is handed in to the Council Service Center before the deadline.

- Packs must register using the Pack Registration and Logistics Form. It is a fillable .pdf that can be downloaded, completed, saved and emailed to wendyscout52@gmail.com or mailed to the council office with your payment. You can find it here: <https://www.danielboonecouncil.org/files/43956/22-Fall-CPW-Registration-and-Logistics>
- Please fill it out even if you have only one Cub/Parent combo.
- Be sure the form is completely filled out – we MUST have the rank of each youth in attendance.
- Registration may be filled out on a computer and emailed or printed and mailed to the address on the form. The payment must be brought or mailed to the council by Oct. 12.
- Mailed registration must arrive at the Council Service Center by 5pm on **October 12** (not just postmarked by that day). **No late registration accepted.**
- Fees are nonrefundable and may not be transferred from one weekend to another.
- Please remember non-scouting siblings are not allowed to attend this weekend.
- There is no discount for those only coming for the day.
- Everyone (youth and parents) in attendance must have a physical form parts A & B {does not require doctor's signature}. **These can just be in a Pack folder or notebook. You will get them back at the end of the weekend.**

What's Happening When? (Agenda and rotation details will be in your packet)

9-10:30am Check-In. *It's good if your entire Pack arrives at the same time. Anyone who arrives after 11:00 will check-in at the Pavilion and later at Ledbetter Lodge/Dining Hall.*

9-Noon Set up your campsite and eat lunch. Don't forget your bag lunch!

Noon Head to the flagpole! Program begins at 12:15.

Sat. evening Dinner at campsites and then Campfire Program

Sunday Breakfast at campsites and then Chapel (Remember, we all "Do Our Duty To God")

After Chapel Load up! Designated gear-carrying vehicles may enter camp after Chapel.

We go no matter the weather! Remember to check the weather report a day or two before the event. It is usually 5-10 degrees cooler at Camp Daniel Boone, so it's a good idea to dress in layers.

Things to remember for the Fall 2022 Cub/Parent Weekend

At Check-In, you will receive a packet – be sure to read the “Safety Rules” enclosed.

Adults must know where youth are at all times

Alcohol of any kind is always prohibited. Smoking in designated areas only.
Store all food in your site in a closed container.

Camping

- Every effort will be made to group Pack members together in the same campsite.
- Gear should be packed in a tote or 1 bag – pack carefully and conservatively. It is very difficult when folks have several individual bags or stacks of blankets. Below is a list of suggested gear.
- All gear should be marked with name and Pack # and organized before your arrival.
- Each Pack is responsible for hauling all their gear in one vehicle or trailer to the campsite.
- No vehicles will be allowed to stay in the campsites. Trailers may be parked at the site (or close).
- Bring a simple first aid kit for your Pack. Good idea to have a packet of “baby wipes”.
- ABSOUTELY NO HEAT SOURCES ALLOWED IN SLEEPING AREAS – BSA POLICY

Meals & Fires

Each Pack is responsible for cooking their own meals. We provide a Saturday afternoon snack.

- There should be water available for your use – we’ll let you know if this changes.
- Remember no eating in any sleeping areas. Any “smellables” must be in a closed container.
- You provide fuel for cooking; be sure to follow The Guide for Safe Scouting standards.
- If you bring firewood for a campfire, talk to the other Pack members attending -- don’t need 2 or 3 folks each bringing a “truck load” of wood for 1 night!
- All fires must be attended and “cold-out” at night.

Gear *(Remember it is just a weekend event!)*

- Tent with waterproof ground cloth (Make sure tent is waterproof – if new, try putting it up before the weekend.) Platforms are 7’x9’ and a few sites have open areas for larger tents.
- Sleeping bag (if summer bag, bring a liner or use blanket as liner), pad, camping pillow
- Sleeping pad (There will be no mattresses on bunk beds in Adirondacks or cabins.)
- Dress in layers (t-shirt, long sleeve shirt, sweatshirt and/or jacket, long pants, long underwear)
- Socks and Underwear – 2-3 pairs of each
- Comfortable shoes (extra pair if looks like rain) – no crocks please
- Sleeping clothes (pjs or sweatpants and shirt –something clean and dry to wear at night)
- Hat/cap and gloves if cool
- Can bring Cub Scout or Leader Uniform shirt for Sun. Chapel. No need to bring neckerchief
- Toiletries • Water Bottle with name • Rain Gear
- Flashlight/Headlight with new batteries. If you bring a lantern remember to follow standards in The Guide To Safe Scouting. Best if battery operated.

Note about not having a tent: If you do not have a tent, please communicate that on the registration form. Be aware that Adirondacks with bunk beds have 3 closed sides and 1 open side. There are bunk beds, but no mattresses on them. Some bunks have a plywood bottom and some have springs.
