

2023 DBC Camporee - Search for Lake Allen's Gold

MAY 5-7, 2023

EXTRA SUPPLY ORDER

Unit Leaders & Staff,

We excitedly await your arrival at our council-wide nautical Camporee on May 5-7 held at Camp Daniel Boone. We will be ordering these items prior to the camporee and want to offer each unit an opportunity to place orders now to ensure your unit gets what they want and give us a better idea of how many of each item to order.

Each participant will receive a 4 inch, fully embroidered, full color patch (see Design #2 on the last page) and a Gold Coin Hat Pin (as a participation award – see Design #1 on the last page).

We are offering a 4-inch glow-in-the-dark patch, 6-inch back patches of both full color and glow-in-the-dark designs, a bandanna and pint glass (which comes with one free drink), all at reasonable prices.

But wait, if you buy the full set, which includes 1 of each item (7 items total), you will save \$5.

We plan to have a credit card machine for those who carry minimal cash. A limited number of items will be for sale at the camporee. We feel that the designs are awesome and as an individual purchase or as a set, these patches will be a great gift for a birthday or Christmas or for a parent /leader that made it possible for you as a scout to attend the camporee. These patches would trade well at World Jamborees, summer camp or at OA weekends, but make sure you buy a set or two for yourself. The entire collection would look great framed on your wall as well as to wear on your uniform as a reminder of what an awesome time you & your patrol had at the 2023 Daniel Boone Council Camporee - Search for Lake Allen's Gold.

Please promote this event, the patches, hat pins, glasses and bandannas with your scouts and leaders during your meetings. Send the order form back to the Scout Office with sufficient monies to cover the cost of your order.
