THEODORE ROOSEVELT COUNCIL

2023 Campership Application

Dear Parent/Scout Leader:

- Theodore Roosevelt Council offers camperships to registered youth from Nassau County to assist with camp fees. Campership amounts are based on the amount requested and family need. In some cases, depending on specific circumstances, no campership will be awarded.
- This form must be filled out COMPLETELY. Incomplete forms will be rejected without consideration.
- Total yearly income must reflect all household family members. On the second page of this form, include all sources of household income: **salary, unemployment insurance, pensions, alimony, disability, public assistance, SNAP, earned income tax credit, etc.**
- Each camper must pay a deposit of \$25, per session/week for this application to be considered. Campership requests without deposits will be rejected. **DO NOT SEND AN APPLICATION WITHOUT PAYMENT OF THE DEPOSIT.**
- The campership amount you are requesting must be specified.**
- To accurately credit the unit with the camper's awarded amount, you must identify the pack/troop/crew in this application.
- Cub Scouts who are crossing over to Scouts BSA must indicate the troop they will be attending camp with. Submit camper's transfer information to the TRC office to link the scout with the appropriate unit.
- Please indicate whether the scout has obtained financial support from another source (e.g. another campership). If a Scout receives multiple camperships, the total cannot exceed the cost of camp, less the \$25 deposit. If a Scout's total camperships exceed this amount, the TRC campership will be reduced accordingly.
- Any awarded campership amount is included and deducted from the total camp cost of fees. All campers who have not received camperships will be responsible for full payment. Reimbursement of subsequent campership awards, if any, will generally be provided through the unit when settling any final payments due to/from the unit (if no discrepancies are found). Checks are not made out to Scouts (except for provisional campers). The pack/troop/crew is responsible for final settlement of camperships with individual families.
