

Special Purchase on Alps Mountaineer Merit ZF Tents

These Alps Mountaineering tents were specially made for the 2023 National Scout Jamboree and purchased by Erie Shores Council for our Jamboree Contingent. These tents will be used for one contingent prep overnight and 10 days at the Jamboree in July and expected to be in excellent condition. The tents will have no warranty from Alps Mountaineering or Erie Shores Council, and any significant defects beyond typical usage will be noted before sales are final.

The sale price will be \$100 per tent and a total of 24 tents will be available in mid-August. Payment due at time of pick up/delivery. Retail value on the tent is \$249.99.

Tents will be sold on a first come first served basis. Pre orders will be accepted online at the Erie Shores website. Tent orders will be held in the order they are received on the website, no down payment will be required, and payment will be due after you are notified the tents are available. Should circumstances change and you no longer wish to purchase the tent(s) they will be sold to next person/unit on the waiting list.

Reserve your tent at www.erieshorescouncil.org/JamboTentSale.

Any questions can be directed to Chuck Walker, Director of Support Services, at 419-459-3130 or Chuck.Walker@scouting.org.

Center Height	72"
Vestibule Depth	N/A
Tent Area	85.5 ft ²
Vestibule Area	N/A
Pole Diameter	11 mm

<https://alpsbrands.com/merit-zf.html>

The Merit ZF will accommodate the provided cots, along with ample room for gear. The base size (9' x 9'6") will maximize the allotted 9' x 9'6" area. This is a special make-up tent designed exclusively for Jamboree 2023. It has been designed to fit the parameters of

Jamboree to the best of our ability and is the top tent that we'd recommend! The ZF model has bigger #10 zippers and a thicker oxford floor.
