

HELP OTHER PEOPLE  
AT ALL TIMES.

# #BSAAlwaysHelping

The Scout Oath teaches us to “help other people at all times.” While we all live a life of service, our story sometimes gets lost in the newsfeeds. This year, the Erie Shores Council aims to change that through our #BSAAlwaysHelping initiative.

## WHAT IS IT?

#BSAAlwaysHelping is a week of service that features opportunities for units around the council to make a lasting impact in our community. Units can choose to support existing projects, or submit their own—including Eagle Scout projects needing additional helping hands to complete.

Once the project is complete, units should report service hours and may qualify for a commemorative patch!

## WHEN IS IT?

While we encourage units to support our community year-round, #BSAAlwaysHelping will take place between August 1 and August 14, 2023.

## HOW DOES MY UNIT REGISTER?

Units may sign up at [www.erieshorescouncil.org/service](http://www.erieshorescouncil.org/service) or by scanning the QR code.

**As an added bonus, units who register by May 31, 2023 and log service hours toward their project by August 31, 2023 will qualify for a coupon that is good for 50% off a weekend cabin rental at either Camp Miakonda or Pioneer Scout Reservation and a recognition streamer for your unit flag. Hurry—this offer won't last!**

We look forward to your help in making #BSAAlwaysHelping a reality.
