

BRETT SUTHERLAND ALUMNUS OF THE YEAR

Brett has served Scouting and its alumni in many capacities. Currently he serves as the council commissioner for the Crossroads of the West Council. Additionally, Brett is serving as the Scoutmaster for Bountiful Troop 220. The experiences in Scouting from Brett's youth and subsequent positions as an adult have been instrumental in his life and were pivotal in developing character and purpose. He credits Scouting for helping him prepare for life and owes a debt of gratitude to Scouting which he cannot outlive and which he loves to share with others. Most of all, Brett is grateful to his wife Tina and to his children Nathan, Alex, Rachel and their spouses for their constant support in allowing him to continue his passion for Scouting throughout his life
